

Almaviva Is Now an SAP Gold Partner

Achievement confirms company's role as a leader in digital transformation process of businesses

Rome — June 15, 2022 — Almaviva, a leading Italian digital innovation company, announced today that it has achieved SAP gold partner status in the SAP® PartnerEdge® program. This achievement indicates the high level of quality Almaviva offers to businesses that use SAP solutions.

“This is a qualitative accomplishment that redefines the company’s position in the SAP ecosystem, confirms Almaviva’s leading role in the digital transformation process, and acknowledges the support it provides to clients as they seek to transform and simplify their business operations,” said Antonio Amati, General Manager of Almaviva’s IT Division.

In addition to achieving SAP PartnerEdge gold level program requirements, Almaviva hit this milestone as a result of positive customer references, its unique offerings for SAP solutions, and its ongoing commitment to achieving SAP certifications.

“The journey with SAP began in 2020 and has grown significantly over the past two years, in terms of both people and projects,” said Luciana Scarlatelli, Almaviva’s SAP and ERP digital platform leader. “Obtaining this level of partnership confirms Almaviva is a company that is capable of working in an integrated way.”

SAP PartnerEdge program provides the enablement tools, benefits, and support to facilitate building high-quality, disruptive applications focused on specific business needs – quickly and cost-effectively.
